Pyneo Co.,Ltd.

Tender Notice for Stack for Project P24001

English translation

Project: Procurement of stacks.

Tender reference: PYNEO-MM-Z(Y)B-2024-04-005

2 Technical requirements

The scope includes design, equipment manufacture, transport, installation guidance, technical services, personnel training, commissioning, testing, performance guarantees for the complete system and after-sales services for stacks and auxiliary equipment. Refer to the technical specification for details.

Bidders must submit written clarification questions to the purchaser no later than two days before bid opening.

Refer to the tender documents for detailed technical parameters and commercial requirements.

3 Bidder qualifications and eligibility

Eligible bidders must be capable of fully performing the contract and must meet the following conditions.

1. Independent legal-entity status and authority to enter into contracts.

2. Sound bank credit and commercial standing. The bidder must not be subject to an order suspending its operations or be in bankruptcy, and its assets must not be under restructuring, takeover or freezing.

3. A complete quality assurance system certified to the ISO 9000 series.

4. Experience in designing and manufacturing identical or comparable equipment that has operated successfully without major equipment-quality problems. The bidder must provide references for at least 10 similar units that have been in service for at least two years.

4 Bid submission requirements

1 Copies and submission addresses

a. Submit one electronic copy of the technical bid and commercial bid, including a blank pricing schedule, to lijj@pyneo.com. Submit the price bid to bnswzb@pyneo.com. Documents must be in Excel or Word format and drawings in CAD format. Use the email subject format "tender reference + bidder name".

2 Bid submission deadline

Technical bid: 26 April 2024.

Commercial bid: 15 May 2024.

3 Bid opening

10:00 on 15 May 2024 (Beijing time, UTC+8).

Submit the application documents before the specified deadline. Late submissions will not be accepted.

4 Bid security and tender document fee

a. Bid security: this project is tendered together with the stack for the Project 24002 thermal-oil heater. No bid security is required for this project.

b. Tender document fee: CNY 100.

Payment reference: bidder abbreviation + "24001 stacks tender document fee".

Alipay account: xusj@pyneo.com
